Seasons Greetings Ms. Roberts

My name is Gregory [redacted] and the reason I'm contacting you is to simply say thank you and bless you for the work you put in to a successful holiday party for prisoners children. My two youngest (7yo & 8yo) and my 4yo niece were all beneficiary of you and your organizations generosity. I'm not sure if you get the credit and praise that is deserved for thinking of us but I felt compelled to reach out to say thanks. I sincerely pray that you are already having a wonderful holiday season and that it continues into the New Year.

Humbly + Graciously
